# Design Goals and Theme

## Design Goals

- Address all areas of Hillside
  - Main priority - front entrance.
- Repurpose trees and plantings where practical.
- Cost effective ongoing maintenance.
- Flexible, enabling future enhancement.
- Enhances property values.

## Design Theme

- Upon entry to Hillside, “funnel” visual attention to sign and adjoining plantings.
- Provide entrance night-time lighting for visual effect and safety.
- Serbian Spruce, Heritage Clump River Birch, ornamental grasses
- Colorful Ginkgo trees adjoining parking pads
- Visual screens as needed on blank home facades and open views.

# Entrance Area

## New Sign
